Party Room Frequently Asked Questions

1. Who do I call to book a party?

You can either call (812) 267-2221 and ask for Chris, e-mail us at corydoncinemas@hotmail.com, or fax the first page to (812) 738-2173.

2. How can I guarantee the movie I want will still be playing the date I choose?

When you book your party, we will discuss which movies should be available on the day of your party. In most cases, if the movie is new, it will be showing for several weeks so there are many opportunities to see it.

3. I don't really plan on paying for the invitee's parents and siblings to see a movie, but I think they're going to want to stay. What should I do?

Every person who sees the movie must pay for a ticket. We recommend that you write on the invitations, "Parents and siblings are welcome to stay. The price would be the "per person fee" (listed above) and this includes the movie and concessions." That way they know what to expect.

4. I'm not sure how many people are coming. Do I need to call you back once I have a final count if it's different from my original booking?

No, not if it is a couple of people. Just let us know when you arrive. That way we can make sure we have the right number of concessions ready for your movie.

5. Do I pay for the number of people I estimate will attend or the final number of guest?

You are only charged for the number of guest who attend the movie. Your original booking number is simply an estimate, and we understand that.

6. How much notice do I need to give to cancel?

We just ask that you let us know 48 hours ahead of the actual party. You will not be charged as long as you have canceled 48 hours before the party. However, if we do not hear from you, we will charge you the minimum room rental fee of \$25. The fee covers our cost of having the room ready for you on your proposed date, bringing in the extra staff, and preparing your concessions.

7. When should I book my party - how far in advance?

We suggest that you book your party one month in advance to ensure you have the date you prefer. This is only a suggestion, we will book parties with two or three days notice. Subject to availability.

8. Who will watch our presents and personal items during the movie?

Corydon Cinemas is not responsible for personal items. We would recommend for safety that you remove all valuables from the room before going into the movie. However, at your request we can lock the party room for the duration of the movie.

9. Can we bring outside food in to our party?

Yes, you can bring all the normal party fare. We only ask that you consume that food in the party room and not in the theaters.

10. Do I have to clean up the room or area?

No, that is our job. The benefit of organizing a party at our theater is that they are considerably easier to organize and involve no clean up. (Other than what you choose to take with you.)

11. What is the 3D surcharge?

For each 3D movie we are required by the movie studios to charge an additional \$2 per ticket. This is only for the movie ticket. We do not charge for your 3D glasses.

Thank You and Enjoy Your Party!
